REVIEWED BY John Simms DATE 2-24-81
PORTIONS DENIED AS INDICATED

Dear Secretary Tadman,

The people of Jonestown are greatly encouraged by recent visits from heads of state to the thriving community there. This kind of program could well be a model for the development of other jungle areas and self-sufficiency for large numbers of people. It proves our good intentions to support and encourage work like this. I hope the people of Jonestown can continue to count on your support.

Your kind
